SUMMER SHOWCASE 2025

Event Details Package
Vancouver | Summer 2025

OUR COMMUNITY

WHAT IS ATELIER?

We are a community of artists, engineers, writers, designers, founders, and makers of all kinds based in Vancouver.

OUR BACKING

We are a node of the student-led nonprofit **Socratica** that first started in Waterloo, Ontario. Operating in +30 cities, we're known for enabling people to work on their passions.

WHAT WE DO

We host open co-working sessions every Sunday & Tuesday to cultivate an environment where innovation *thrives*, and creators can gather, collaborate, and bring their work to life.

WHAT WE'RE UP TO NOW

We're hosting our **Summer Showcase** to celebrate the incredible projects made by our community.

This year, we're looking to bring **100+ makers** together in Vancouver to demo their passion projects. Projects our attendees have made include:

INDIE VIDEO GAMES

FINANCE STARTUPS

ART INSTALLATIONS

HARDWARE PROJECTS

SCREENPLAYS

CROCHET ACCESSORIES

3D ANIMATION & MODELLING

ORIGINAL MUSIC

+ MORE

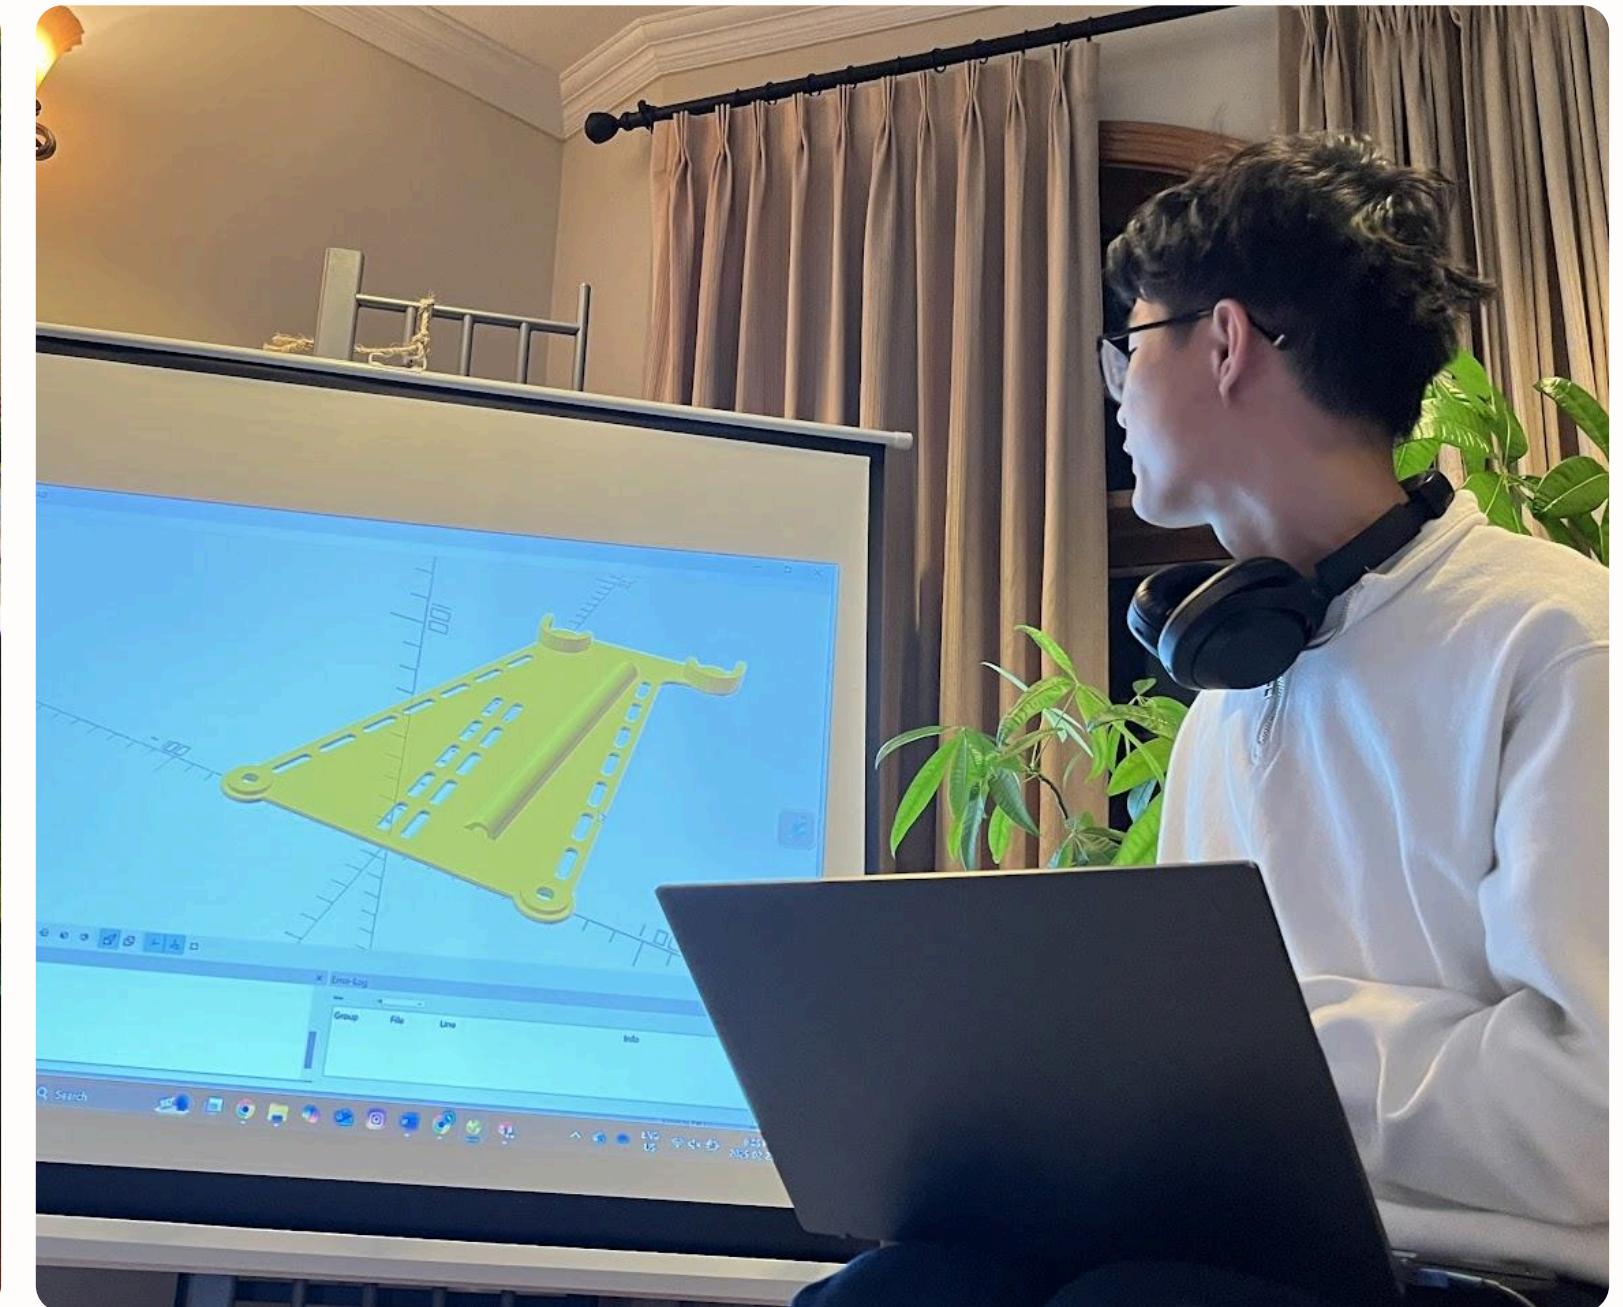

What are demos?

Curated presentations (5-8 minutes) of a project, process, or concept followed by a brief question period.

HOW DO WE DO THIS?

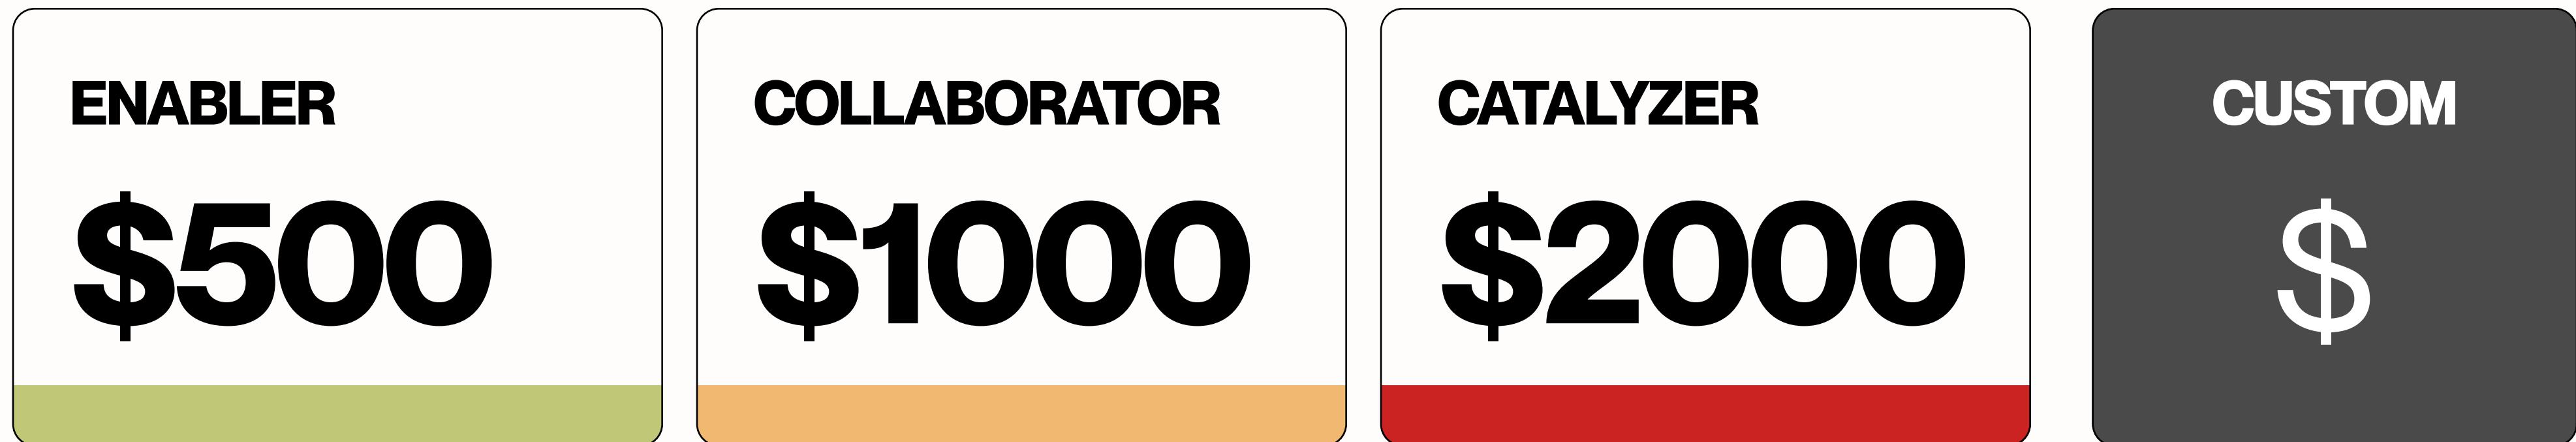

To bring this event to life,
we can't do it alone.

WHAT WE'RE LOOKING FOR

We're currently looking for sponsors to help cover costs like our venue, food, materials, and media assets.

SPONSORSHIP
TIER

WHAT WE
OFFER

We value sponsorships of every level. Depending on your organization and needs, we are happy to customize how we can best feature you + your involvement in this event and connect you with our vibrant community.

NEXT STEPS

We would love to hear from you.

We welcome any support, connections, or information you can offer to help us realize this event.
